"Tax-Free Swaps is a highly recommended read for lay persons and practitioners alike"

"Tax-Free Swaps is to section 1031 exchanges what Dorothy was to the Wizard of Oz. The curtain of complexity is finally removed for property owners contemplating a section 1031 exchange and interested in learning more about tax-free swaps in plain English instead of a boring and tedious legal treatise. Tax-Free Swaps is a highly recommended read for lay persons and practitioners alike."
